Sir,

At the meeting of the District Fund Board held on the 11th instant the Amildar of Tiptur proposed that all Musafirkhanas in the District might be provided with verandas as per statement attached for the use of travellers. All the Members of the Board were unanimously of opinion that verandas should be provided as proposed at a cost not exceeding 25 Rupees per Musafirkhana vide para 15 of the Proceedings submitted with this office letter No 1091

dated 14th June 1895. There are now 14 Musafer Khanas in the District as noted in the margin. The cost of providing them with the vessels shewn in the list will be Rs. 770/. In submitting the matter for the favorable Consideration of the Government I solicit that sanction may be accorded to the purchase of the vessels referred to. The cost may be met from the general Savings in the current year's District Fund Budget.

ORDER THEREON.—The Deputy Commissioner of the Tumkur District requested sanction to the supply of vessels costing Rs. 55 to each of the 14 Musafirkhanas in the District. Before according sanction to the proposal, the opinions of the various District Fund Boards as to the utility of the proposal were invited and the letters read above are in reply.

2. With the exception of the Deputy Commissioner of Kadur, who considers that cooking vessels are unnecessary and that vessels for bathing and washing alone may be supplied, all the other Deputy Commissioners are in favor of supplying cooking vessels to Musafirkhanas.

3. The Government are of opinion that the supply of necessary vessels would add greatly to the usefulness of Musafirkhanas; but what vessels are absolutely required for each Musafirkhana may be left to be determined by the District Fund Board, taking into consideration the importance of the place and the class of travellers who generally resort to the institution. The Government are accordingly pleased to sanction a lump sum being placed at the disposal of each District Fund Board, computed at an average rate of Rs. 55 per each Musafirkhana, leaving the distribution to the Board's discretion. Out of the allotment actually made to each Musafirkhana the necessary utensils (including the lamps referred to in para 2 of Government Proceedings No. 7189-97—L. F. 71-94, dated 21st December 1895) may be purchased and placed in charge of the caretaker of the Musafirkhana, who will supply them to travellers on their requisition. A periodical inspection of the articles should be made whenever the Taluk Amildar visits the Musafirkhana.

4. To meet the cost of petty repairs to vessels and the purchase of small necessaries, such as oil, washing and cleaning materials, &c., a contingent allowance calculated at the rate of one rupee a month for each Musafirkhana will also be placed at the disposal of each District Fund Board for distribution according to the requirements of each Musafirkhana. The Amildars should be instructed to see that the sum allotted to each Musafirkhana is not misused by the caretaker.

5. A bill of charges actually incurred on account of the purchase of vessels should be submitted to Government and the source in the District Fund Budgets from which the cost thereof can be met should be specified. The annual contingent allowance should be separately provided for in future Budgets.

6. The proposal to supply vessels to the III class Travellers' Bangalos will be separately dealt with on receipt of information from the Deputy Commissioners of Bangalore, Tumkur, Mysore and Hassan.
